

Every year since 2004
we've changed lives by giving
our hearts and skills to the
people of Pucallpa, Peru.

Won't you join us? Learn more
and get involved.

Scalpel At The Cross is a ministry of
medical and surgical care to the Peruvian
people and to the missionaries
who serve them.

**SHINING
THE LIGHT
OF CHRIST**

OUR MISSION

To be a lighthouse for Christ through a medical ministry in the Peruvian Amazon region of South America.

OUR VISION

Blend Peruvian and American volunteers, staff, and medical professionals, for the care of musculoskeletal conditions

Serve the physical and spiritual needs of Pucallpan Peruvians, tribal populations, and the missionaries who serve them

Integrate educational exchange to catalyze knowledge and understanding of orthopaedics and rehabilitation

Track patient outcome for accountability to the highest standard of care

Seek opportunities to spawn Peruvian development in the industry of medicine and growth of the Church

Desire a spiritual cascade through the lives of American volunteers with impact to the communities in which they live

THE LOCATION

Pucallpa In the heart of the Peruvian Amazon Jungle

Scalpel At The Cross is located in Pucallpa (meaning "red earth"), a city of about 310,000 in the heart of the Peruvian Amazon Jungle and on the banks of the Ucayali River, the Amazon River's largest tributary. Pucallpa is in eastern Peru, 500 kilometers from Lima, Peru's capital of 10 million people.

Partnering with other ministries in the area, particularly South America Mission (SAM) and a SAMAIR aviation camp, Scalpel reaches out to the people of Pucallpa as well as the remote jungle tribes along the Ucayali River.

In this location, Scalpel At The Cross is building a medical mission camp and staffing it with both North American and Peruvian health care professionals.

THE IMPACT

We ask that you prayerfully consider your involvement and impact!

We firmly believe that lives in Pucallpa and the surrounding areas of the Amazon are being impacted for Jesus Christ. By offering our skills and abilities in the area of medical care and partnering with local Christian mission organizations, we are furthering the work of growing Christ's church in this area of South America.

4 WAYS TO PARTNER WITH US

- 1) Join our Prayer Posse
- 2) Become a donor
- 3) Go as a team member
- 4) Asset-based giving

A GIFT OF LIGHT, HOPE, AND SURGERY TO PERU

Gifts of all kinds have allowed medical volunteers to provide free consultation and surgical treatment to patients, identified by Peruvian healthcare workers and local missionaries. Gifts of medical equipment and supplies greatly improve the quality of care we provide. Financial gifts allow us to oversee the management of the mission and allow us to maintain the Scalpel At The Cross home, affectionately known as Jungle Bunks.

These grounds provide housing for Scalpel mission teams and storage of medical supplies, as well as lodging for other short-term missionary groups serving the area.

Giving through time, prayer, and finances provides a strong foundation from which we operate.
